Our curriculum

Our curriculum is diverse, and has been designed to ensure it represents every child and the community.

This means all children are provided with unique opportunities to foster their love of learning.

I feel very passionate about recognising every achievement.

I celebrate all the successes, which I believe helps children to grow in confidence and motivation.

We take pride in living out
our school values of
Kindness, Respect and
Perseverance.

This is reflected in our
celebration assembly and
with ClassDojo.

Every child receives 2 points for being in school and ready to learn. The class with the most point receives a prize in celebration assembly for their achievements.

We also give points out when children show they are representing any of our values.

With a parent account, you can:

- translate into your home language
- see school messages and news
- see photos and feedback
- track your child's points progress
- communicate with me

Our policy on school uniform is based on the notion that school uniform:

- promotes a sense of pride in the school;
- engenders a sense of community and belonging towards the school;
- is practical and smart;
- identifies the children with the school;
- prevents children from coming to school in fashion clothes that could be distracting in class;
- makes children feel equal to their peers in terms of appearance;
- is regarded as suitable wear for school and good value for money by most parents;
- is designed with health and safety in mind
