

English **Our new English book is: The Bear Under The Stairs.**

The Task: Ask your grown up to hide 5 common household objects under a blanket or inside a bag (representing the dark cupboard). You need to reach in, feel an object without looking, describe its texture aloud, and then write what you think it could be.

Extension:

Imagine you are the bear sitting in the dark under the stairs. You aren't scary at all—you're just sleepy! Write a short diary entry about what happened when William started dropping food through the door.

Maths
