

## Digital Skills

Using Canva, can you create a poster to show all the different ways you can stay safe online.

## Maths

Choose a key word or phrase from the list below and make a poster to help explain it to an alien.

Partitioning, regrouping, communicative law, multiplicative law.

## History

Research the Viking raids at Lindesfarne and write a newspaper report about it. You can include interviews with Vikings or Monks and also your own drawings of the events.

## Science

### Year 5 Spring 1 Homework Matrix

Remember, every week please continue to

- Read daily for 10 minutes. If you are unsure of a word, research it and learn it and try to use that word in your writing.
- Practise your times tables using Times Tables Rockstars

We LOVE seeing your homework! Please bring it in and show your class teacher.

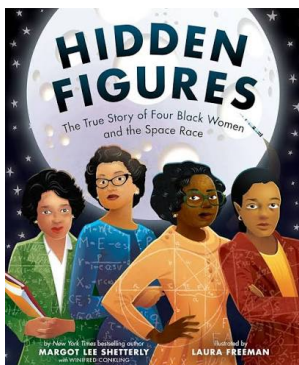

## Design Technology

Create your very own Viking longboat. Do some research on how their design helped them to become so successful at invading from sea or rivers.

## English

Make your own fact file about any of the 4 incredible women from our class book: Hidden Figures. (Dorothy Vaughan, Mary Jackson, Katherine Johnson or Christine Darden)

## Art

Create a piece of graffiti art of your name. Try and use a range of patterns and colours.

## RE

### Forgiveness poem/song

Create a poem/song that celebrates the theme of forgiveness. Consider moments when you had to forgive someone or they forgave you.

**FORGIVENESS**
